

MUSIC AT ST. LUKE'S

2024 - 2025

WELCOME

Welcome to the fifth season of Music at St. Luke's, a yearlong series generously supported by the Friends of Music, parishioners, and supporters of St. Luke's Atlanta.

Following a wonderful year celebrating the 60th anniversary of the Alston Memorial Organ, Music at St. Luke's is poised to present exciting and innovative programming this season! We are delighted to continue our ongoing partnership with ensemble vim, a chamber music collective with a mission of bringing awareness to the South's rich cultural landscape, focusing on narratives that have been historically overlooked in the hopes of creating an environment of artistic unity and diversity. We also welcome The Mosaic Quartet as St. Luke's Quartet-in-Residence. This dynamic,

engaging string quartet focuses its energies on performing music by composers of color and other under-presented traditions in the realm of classical music.

Our season includes the 49th Annual Messiah Sing-Along and Lunchtime Live! – a mini-series of informal 30-minute concerts during the season of Advent with lunch from Henri's Bakery following each performance. The St. Luke's Schola and Adult Choir offer monthly Choral Evensong services, preceded by an organ recital by renowned organists from around the U.S. The third Annual St. Luke's Chorister Festival welcomes Mary Wannamaker Huff, who is Artistic Director of the New York City Children's Chorus and Associate Director of Music at Madison Avenue Presbyterian Church, as this year's guest clinician.

Music at St. Luke's fifth Annual Concert for a Cause features The Merian Ensemble. The ensemble was established in 2018 when five women of the Atlanta Symphony Orchestra came together to address the gender imbalance in classical standard repertoire. The Merian

Ensemble performs the abundant repertoire of music composed by women and commissions a new work each year. Their concert will benefit the mission of Returning Her Home. This extraordinary organization aims to build a supportive system around a woman's specific needs and the trauma experienced following incarceration. More information may be found at returningherhome.org. The season concludes with an exciting organ recital by the brilliant Korean Organist Yoon-Mi Lim as part of the Atlanta Summer Organ Festival.

These events are made possible through the generosity of music lovers such as you. Please continue to support our artistic offerings with your presence and by joining St. Luke's Friends of Music. I look forward to welcoming you!

The Alston Memorial Organ was installed in 1963 by Austin Organs, Inc., of Hartford, Conn. The organ was made possible by Mrs. Robert C. Alston in memory of Cara duBignon Alston. During the 1990s, a series of enhancements were made through the generosity of Joseph Tooke Massey, Jr. In 2000, Cornel Zimmer Organ Builders was contracted to refurbish the entire organ and construct a new five-manual chancel console. In 2020, a secondary two-manual console was added to the rear gallery through the generosity of a bequest from the estate of Robert C. Glenn. The organ today contains eight divisions, 90 ranks, and has nearly 5,000 pipes. It is one of the finest organs in the United States and is regularly featured in recital by internationally acclaimed concert artists.

Michael Gordon

**AN EVENING OF PERCUSSION
FEATURING MICHAEL GORDON'S TIMBER**

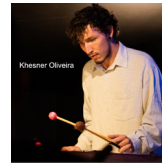

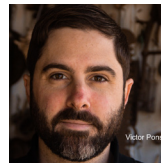

Michael Gordon's work, *Timber*, is scored for six wooden 2x4s, each cut into different sizes, giving each one a slightly different pitch. Called a "simantra" and used by priests in the Greek Orthodox church, this percussion instrument was first used in Western composition by Iannis Xenakis. Far from a gimmick, the instrumentation allows Gordon to create the impression that the sound is traveling around and through the room by subtly shifting the accent of sound from one player to another. The result is a meditation on sound and rhythm, bringing the physicality, endurance, and technique of percussion performance to a new level.

**5TH ANNUAL CONCERT FOR A CAUSE
BENEFITTING RETURNING HER HOME
THE MERIAN ENSEMBLE**

In 2018, five women of the Atlanta Symphony Orchestra came together to address the gender imbalance in classical standard repertoire. The Merian Ensemble honors the genius of Maria Sybilla Merian (1647-1717), a brilliant scientist and artist who created intricately beautiful drawings in order to examine and illuminate the tiniest details of metamorphosis. Her work, which preceded that of Linnaeus and Darwin, exhibits the same qualities of intellectual rigor and discovery, but enjoyed a fraction of the contemporary acclaim or celebrated legacy. Her story fuels Merian Ensembles' passion for bringing obscured compositions to light, and its determination to celebrate the women composing today.

GERRE HANCOCK INTERNSHIP

ST. LUKE'S SELECTED TO HOST 2024-2025 INTERNSHIP

Dr. Gerre Hancock, one of America's most highly acclaimed concert organists and choral directors, was Organist and Master of Choristers at Saint Thomas Church Fifth Avenue in New York City, where he set a new standard for church music in America for more than 30 years.

The Gerre Hancock Internship program was established by the Association of Anglican Musicians (AAM) to create full-time mentoring opportunities for extraordinary young church musicians who demonstrate a strong interest in the music and worship of The Episcopal Church. This annual internship is jointly funded by AAM and the host institution

and offers the intern 10 months of practical experience through intense and intentionally formative work as part of an outstanding music program.

St. Luke's joins these other renowned music programs of The Episcopal Church as host for the 2024-2025 Hancock Intern:

- **St. George's Episcopal Church**
Nashville, Tennessee
- **Grace Cathedral,**
San Francisco, California
- **St. James Cathedral**
Chicago, Illinois
- **St. Mark's Church**
Philadelphia, Pennsylvania
- **Trinity Episcopal Cathedral**
Columbia, South Carolina
- **Washington National Cathedral**
Washington, District of Columbia
- **Trinity Church**
Boston, Massachusetts

In March of 2024, Ezechieel Daos was named the 2024-2025 Gerre Hancock Intern. Daos graduated in 2022 from Central Methodist University in Fayette, Mo., with bachelor's degrees in vocal performance and music education. In May 2024, he received his master's degree in organ performance from the University of North Texas. His appointment at St. Luke's officially began in August 2024.

FRIENDS OF MUSIC

Support of St. Luke's concert series is made possible through Friends of Music. Concerts by renowned artists are frequently underwritten by the Friends of Music as a gift to our parish and the greater city of Atlanta. Music at St. Luke's exists because of the generous contributions made by members and friends of the parish. Please consider supporting the Friends of Music program.

Thank you for your generosity!
